

EXTRAORDINARY DELIVERED

CLINICA FAMILY HEALTH

Lafayette, Colorado
Land

OPPORTUNITY

Clinica Family Health was looking for land to build all three of their clinics in order to expand primary care services and open a dental clinic.

SOLUTION

- Searching from Boulder to Broomfield for land sales opportunities
- Acquisition of the three separately owned lots
- Partnering with Northstar Commercial Partners to construct its new clinic.

RESULTS

The nonprofit plans to relocate its administrative offices and Lafayette clinic from two separate sites to a new flagship facility that it will building at the new location. The new building will allow Clinica to expand its services and bring approximately 30 new jobs to the city.
