

EXTRAORDINARY DELIVERED

LIVE, WORK, PLAY – SUSTAINABLY

Phoenix, AZ

Transwestern Regional Office

IN DESIGN

- Converted a vacant steakhouse into a modern, multipurpose office space
- Created indoor/outdoor space to maximize daylighting and promote team interactions
- Installed energy-efficient appliances and office equipment throughout the space

IN POLICY

- Promote a culture of low-/no-emission commuting
- Implement green building practices, including sustainable cleaning, air filtration, and recycling
- Foster a culture of innovation across all business lines

IN PRACTICE

- Eliminated all single-use plastics and coffee cups from the office
- Utilize motion sensors to reduce energy consumption
- Increased air flow to our spaces to promote the health of our team
