### A global perspective can help guide local decisions.

Consistency builds confidence, and our strategic alliance partners share Transwestern's entrepreneurial spirit, professional integrity, consultative approach and unwavering commitment to exceptional service delivery. Moreover, they bring an understanding of the cultures, principles and work styles of the countries in which they serve – invaluable components of crafting optimal solutions for our clients' global needs.

Transwestern's long-standing alliance with BNP Paribas Real Estate equips us to deliver services such as real estate strategy, site selection, transaction management and lease administration in Europe and across the globe through a single point of contact. In North America, our alliance with Devencore extends Transwestern's integrated real estate capabilities throughout Canada. Our firm's Occupier Solutions team contributes reciprocal solutions within the U.S. for foreign clients.

### Good ideas put into practice. That's thinking beyond the obvious.
