

## HERE, WE NEVER STOP GROWING.

Transwestern's professional development platform, Level Up is designed to support team member learning at any stage of a career. Whether it's building a strong foundation for success in commercial brokerage or expanding skills to serve owners and tenants in increasingly sophisticated assets, every Level Up track consists of proprietary curriculums for curated audiences.

### Content categories span:

- Industry sectors and product types
- Company strengths and client offerings
- Competitive landscape and Industry best practices
- Proprietary software and research products
- Business development strategies and service delivery
- Success stories and marketing opportunities

In addition to expanding the firm's collective knowledge, Level Up encourages close relationships with a group of like-minded peers – individuals who become trusted colleagues throughout a rewarding commercial real estate journey.

### Popular areas of focus include:

- Brokerage Foundations
- Tenant Advisory Accelerator
- Asset Services Operations
